Software Developer

We're a growing digital learning company looking to expand the team with an experienced **Software Developer.**

With strong ASP.NET and JavaScript knowledge, you will work with the design and development teams to develop exceptional digital learning applications.

Responsibilities:

- Developing and testing web-based applications that will be used globally.

- Working with existing developers/suppliers to ensure integration of all project requirements, including programming, interface and design elements.

- Carrying out maintenance and client updates to existing projects such as learning portals, content management systems, and responsive web applications.

- Working within and contributing to our company-wide product and technology strategy.

Essential Criteria:

- A minimum of 3 years' experience developing web applications in a commercial environment using the following technology:

    1. ASP.NET MVC 3 or greater

    2. C# 5.0 or greater

    3. Visual Studio 2012 or greater

    4. SQL 2008 or greater

    5. JavaScript Libraries/Frameworks - jQuery, AngularJS, React

- 3rd Level computer science / IT-related qualification

- Ability to demonstrate individual initiative and collaborative team skills.

Desirable Criteria:

- Experience in the following:

    1. Unit testing

    2. CSS3 and HTML 5

    3. IIS 7

    4. Windows Azure cloud platform

Location: Belfast

Salary: Negotiable, depending upon experience.

As well as a competitive salary, we offer continuous professional development opportunities and a range of other benefits including a contributory pension scheme and healthcare plan.

By joining our highly skilled team, you will get the opportunity to think creatively and work on a wide range of interesting and challenging projects in the e learning and digital media field.

Apply:

To apply for this role, please send a cover letter outlining relevant skills and experience against the essential and desirable criteria, and a detailed curriculum vitae to info@aurionlearning.com.
